HOW FLICKS ENGAGES MOVIEGOERS

There are four key spices in our secret sauce:

WE ARE PART OF THE MOVIEGOING PROCESS

Our content and UX is focused on being a moviegoer's tool: Flicks is decide what you want to see, decide where to see it, and buy a ticket.

WE ARE ABOUT CONTENT

We are honest and we're funny - top shelf boy/girlfriend material. Our feature/blog content, reviews and profiles are made by film lovers who know their audience. Our listings are comprehensive and packed with detail, our we are 100% nationwide in both NZ and Australia. We are trusted.

WE ARE LOCAL

Flicks has a local voice. From profiling what films and festivals are on at your local cinema to our synopsis that have had trade talk (read: Americanism and hyperbole) removed.

WE ARE ONLY MOVIES

Unlike other guides, we don't dilute with events, TV shows or gossip. We are exclusively about movies, which makes us a first-in-mind, singular and focused proposition for users.

MOVIES ARE EVERYTHING
